

# COMPANY PROFILE

A TRUSTED SOURCING COMPANY  
BUYING AGENT  
**COMPLETE GARMENTS SOLUTION**

## Company Overview

Welcome to **Elite Sourcing**.

**Elite Sourcing** is apparel sourcing agency that headquartered in a reputed commercial city Chattogram, Bangladesh. With years of expertise in the textile and garment industry, we specialize in connecting global fashion brands with high-quality manufacturers, ensuring seamless production, competitive pricing and ethical compliance. We are also specialized in sourcing, development, and merchandising of knit garments, ensuring seamless communication between buyers and suppliers while maintaining the highest standards of quality, compliance and timely delivery.

**Elite Sourcing**, a premier buying house dedicated for connecting global buyers with high-quality apparel manufacturers. Our end-to-end solutions cover everything from design development and fabric sourcing to production management and logistics making us a trusted partner for brands across Europe, North America, and beyond.

---

## Our Vision

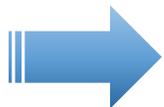

To be the most trusted knitwear woven, sweater sourcing partner revolutionize apparel sourcing by delivering innovative, sustainable, and cost-effective manufacturing solutions while maintaining the highest standards of quality and ethical compliance.

---

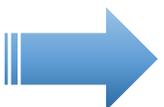

## Our Mission

To bridge the gap between international buyers and skilled manufacturers by providing transparent, efficient, and hassle-free sourcing services—ensuring on-time delivery, ensuring superior quality, ethical production and competitive pricing for every order.

## Why Choose Elite Sourcing!

### **1. Extensive Supplier Network**

We maintain strong partnerships with certified, compliant and high-capacity knitwear woven, sweater manufacturers across Bangladesh, India, Vietnam, etc. Our efficient supplier ensures consistent quality, ethical labor practices competitive pricing without compromising on standards.

### **2. End-to-End Sourcing Solutions**

From concept to delivery, we handle every step of the supply chain.

Develop: Packs, sample development, trend forecasting.

Fabric & Trim Sourcing: Yarn, dyes, prints, and accessories.

Production Management: Order tracking, timeline supervision.

Quality Control: Pre-production, in-line, and final inspections.

Logistics & Shipping: Customs clearance, freight forwarding.

### **3. Dedicated Merchandising Team**

Our buyer-focused merchandisers act as a single point of contact, ensuring:

Clear communication between buyers and factories

Real-time updates on order progress

Quick resolution of production challenges

### **4. Strict Quality Assurance**

We enforce AQL-based inspections at every stage:

Pre-production checks (fabric, trims, lab tests)

In-line inspections (during production)

Final random inspections (before shipment)

## We prioritize

1. **OEKO-TEX®, GOTS, BCI, Recycled, CMIA and Organic** cotton options.
2. **ACCORD & BSCI-compliant** factories.
3. Eco-friendly dyeing and packaging solutions.
